Summary

I graduated from New Brunswick Community College's IT: Programmer Analyst program on June 14th, 2019.

Since then I've been working as a software developer for The Black Arcs, and am now in a senior software development role.

Experience

Senior Software Developer

The Black Arcs

Apr 2020 - Present (1 year 11 months +)

See <https://github.com/adam-savard>
